

Just the **usual stuff** you chaps tend to work on. Although you Utility men do play your cards **close** to your chests sometimes. Huh! So he may have been working on something of his own privately.

Honk, honk.

Honk, honk.

Still **easy** to get around Cairo I see!

We're on our way to see **Inspector Tarek**, who's handling the case. We'll be able to view Mason's **belongings**. Nothing linking him to **British Intelligence** I hope.
