

# ROBIN GUARD

**ACTION  
MYSTERY  
ADVENTURE**

The English Medieval ages, times are harsh, the English king is living abroad in exile and the law of the land has broken down. The kingdom is split into regions ruled by various Lords, Earls and High Sheriffs. Some are good, but many are corrupt and evil. Yorkshire is under the control of the villainous Sir Tallyman and his henchmen, who impose heavy taxes and rule how they please. But many rose against this injustice and tyranny, travelling the land, righting wrongs where they can. One of these heroes is **Robin Guard** and his band of outlaws. Robin Guard is continuing his journey to Scotland to deliver a Quaid.

Robin Guard and others are now sheltering in a folly castle, now Faramond is asking for a volunteer to take a message to Parrogate Castle asking for assistance.
