

Mmm.
Quiet train.

Where
is everyone?

CLACKETY, CLACK
CLACKETY, CLACK

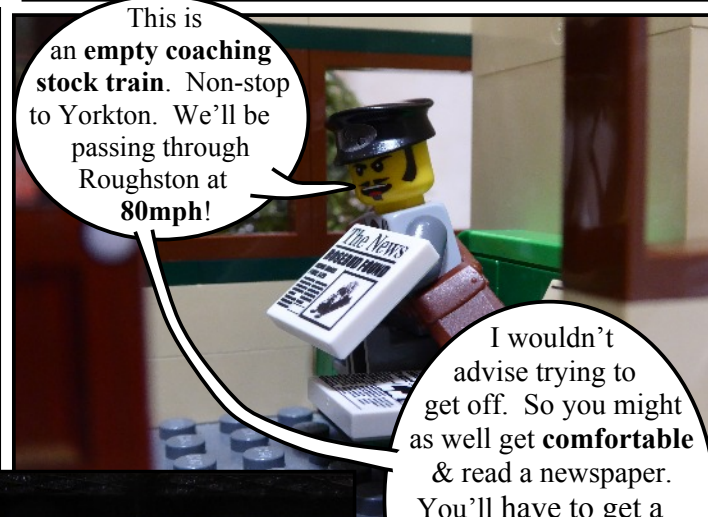

Hello.
Is this train for
Roughston?

Well, yes
and no.

What does
that mean? And
where are all the
passengers?

This is
an **empty coaching
stock train**. Non-stop
to Yorkton. We'll be
passing through
Roughston at
80mph!

I wouldn't
advise trying to
get off. So you might
as well get **comfortable**
& read a newspaper.
You'll have to get a
train back to where
you want to go, once
we're back in
Yorkton.

Oh heck!
