

Stupid. You could have **killed yourself** trying to board a moving train.

I wanted to get home didn't I.

What an **idiot!**

Hmm, this toilet has been **engaged** for sometime now. Could be some **fare dodgers** hiding in there.

Conductor! Everything alright in there? I'll **count** to three and then **open** the **door** with my pass key. One... two...

By heck! **Impressive.** Ten of you hiding in the toilet. Must be a record.
