

Stand to one side stranger.

I'm making it my concern.

This is no concern of yours.

So these two threw my dog in the river. I'm going to enjoy this!

Ten seconds later.

Aaaaagh

They won't trouble you again.

Thank you for your help.

No boy. You can't come with me. Your duty is here. Look after your mistress.

Mmmf, sniff. Pat, pat.

Remember, you are a Watchdog.

Arf, arf. Mmf, mmf.

Back in Ninjago City, West Central, the following day.

I'm going to miss you. Watchdog.

MOVE IT! Mutter, mutter.

Hah! Everything's back to normal.
