

Goonlana.

'Escaped from a travelling Zoo'.

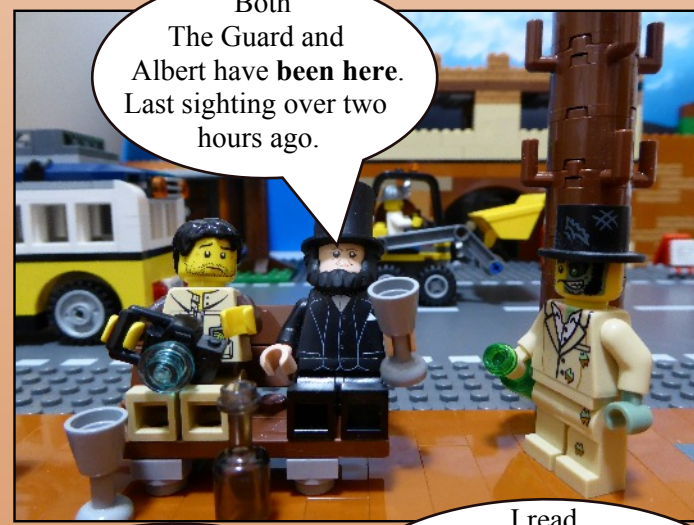

Crikey! that's a **nasty surprise** for someone.

One hour later.

Phew, it's hot. You need to keep drinking.

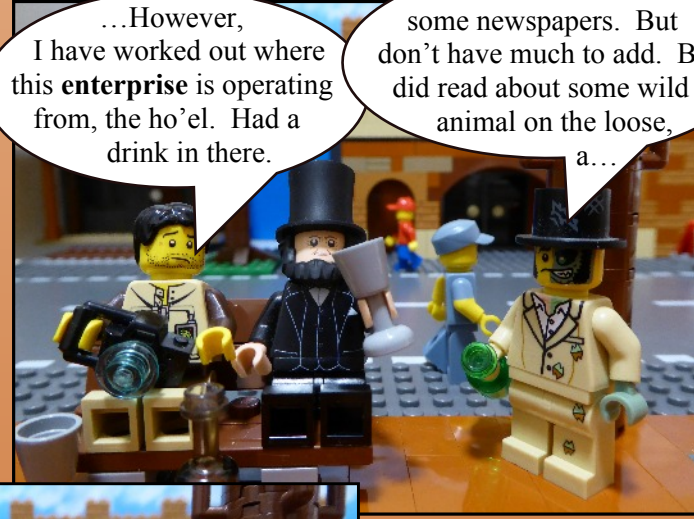

What did you **find out**?

Both The Guard and Albert have **been here**. Last sighting over two hours ago.

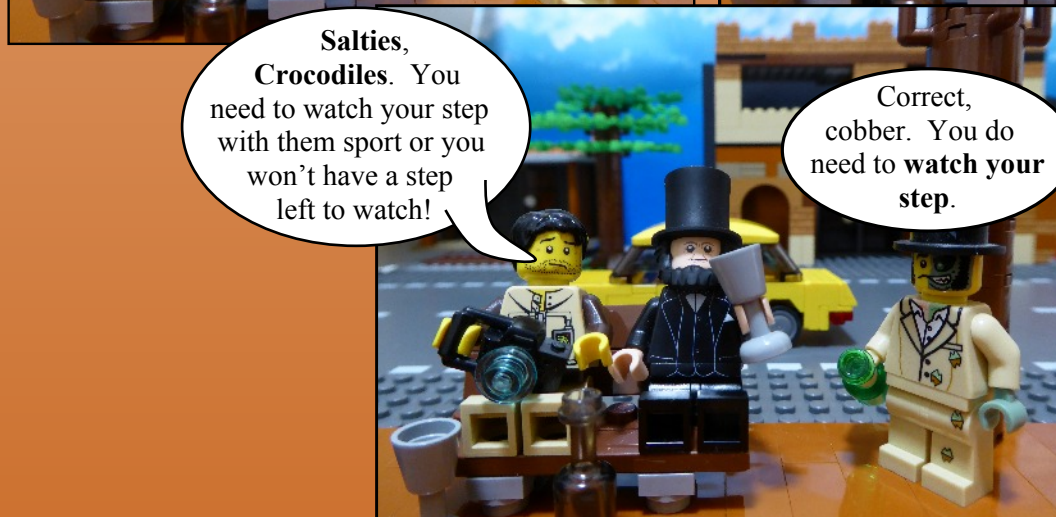

There's something **crooked** going on here. No one's prepared to name names...

...However, I have worked out where this **enterprise** is operating from, the ho'el. Had a drink in there.

I read some newspapers. But don't have much to add. But did read about some wild animal on the loose, a...

**Salties, Crocodiles.** You need to watch your step with them sport or you won't have a step left to watch!

Correct, cobber. You do need to **watch your step**.
