

# The flag-flip that fooled a German pilot!

Jake's men were well drilled. They made a quick change of colours and caps.

THAT'S ALL THE ROUNDELS COVERED.

THAT'S RIGHT, LADS. I WANT THE PILOT TO THINK WE'RE GERMANS.

ARE THEY GOING TO FALL FOR IT? WILL THE PILOT LAND?

GREAT STUFF! THEY THINK WE'RE A GERMAN SALVAGE UNIT, AND THEY'VE LANDED TO SEE WHAT WE'RE DOING!

I'VE GOT YOU COVERED! GRAB THEM, LADS! TIE THEM UP!

BRITISHERS! THIS IS AN OUTRAGE!

To make sure the Germans would not escape, Jake took away their boots and socks.

COME ON, SCOTTY. WITH THIS GERMAN PLANE, WE CAN LAND BESIDE THE WELLINGTON AND DISMANTLE IT WHILE THE OTHERS ARE CLEARING A PATH THROUGH THE MINEFIELD.

HOW ARE YOU GOING TO LAND IN THE MINEFIELD, SARGE?

WE'LL FOLLOW THE TRACK MADE BY THE WELLINGTON. THERE CAN'T BE ANY MINES THERE, OR IT WOULD HAVE BEEN BLOWN UP!

YOU GET TO WORK CHANGING SOME OF THE SIGNS ON THE STORCH, SCOTTY, AND KEEP A LOOK-OUT FOR GERMAN PLANES. I'LL HAVE A GO AT THE WELLINGTON!

Sergeant Jake got to work on the Wellington, and ten minutes later—

KITTYHAWK FIGHTERS—SOME OF OUR OWN—AND SCOTTY'S ONLY GOT ONE SIDE OF THE STORCH DONE. QUICK, SCOTTY, GET THE STORCH TURNED ROUND TO FACE THE KITTYHAWKS.

THEY WON'T SHOOT US UP WHEN THEY SEE THE ROUNDELS, SCOTTY!

—AND HERE COME THE LADS WITH THE VEHICLES, SARGE. THEY'VE ALMOST CLEARED A WAY THROUGH THE MINEFIELD!

LOOK OUT! A BUNCH OF MESSERSCHMIDT FIGHTERS COMING OVER!

Later, when the Wellington was being loaded on to the Queen Mary—

THEY'RE KEEPING US BUSY! RIGHT, TURN THE STORCH ROUND AGAIN! CHANGE YOUR ROUNDELS AND CAPS, LADS.
