

Some suggestions of books to buy this Christmas -

The Haunted Room by Hugo First.

Crossing Roads Safely by Luke Bothways.

I Know Where You Live by Father Christmas.

A Load of Old Rubbish by Stefan Nonsense.

Our **heroes** have **saved** Christmas and everyone lived happily ever after... except for Miles Vane.

And before our last scene, a few words from one of our sponsors, **Books, Books and More Books.**

I think the last title sums up this play nicely.

And now lets bring on our **Christmas tree.**

Crikey! Is this tree the best this theatre can provide?

Perhaps I can help?

I'm going to need your **help** again children.

Three, two, one.

THREE, TWO, ONE.
