

Albert Copperwaite, railway guard, now travels the world seeking adventure as

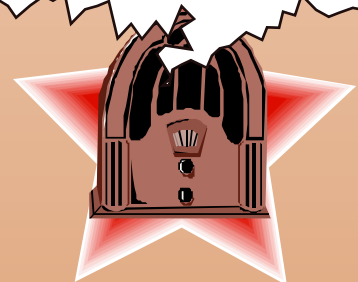

# THE GUARD

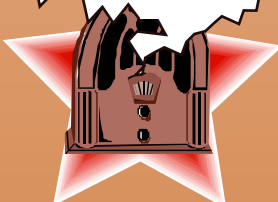

by Banff

56.

## Race Against Time

It's an exciting day at Cook station as the Knight Racing Team arrive by train for their attempt on the **world land speed record**.

Here we see members of the team saying thank you to the railway conductor Albert Copperwaite for getting them there safely.

We wish this **plucky** pommie team the best of Aussie luck in their attempt to break the record.
