

# STAR SEEKERS

THE YEAR 3091 — FURTHEST SPACE!  
SCOUT WARPED THREE BROKE INTO  
NORMAL SPACE AND TIME AS IT  
EXPLORED LIGHT YEARS AHEAD OF THE  
EXODUS FLEET CARRYING SURVIVORS  
FROM A DYING EARTH . . .

The crew — Ensign Hod Sholto, Android AD964 and Vak Kline, the ship controller — studied a hologram . . .

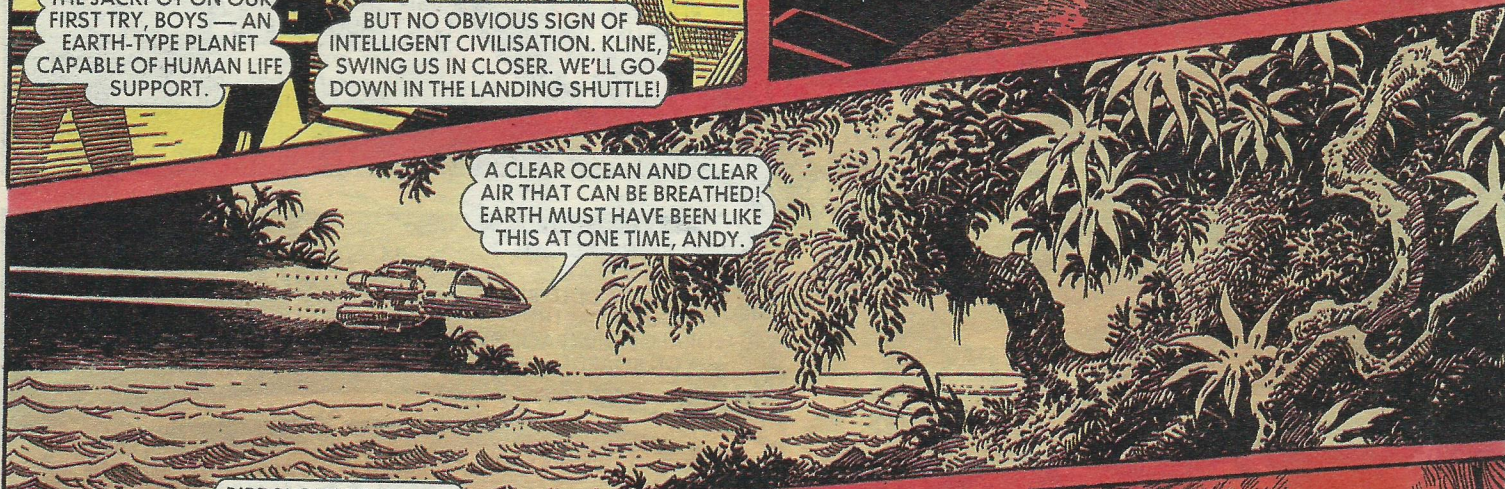

THE JACKPOT ON OUR  
FIRST TRY, BOYS — AN  
EARTH-TYPE PLANET  
CAPABLE OF HUMAN LIFE  
SUPPORT.

BUT NO OBVIOUS SIGN OF  
INTELLIGENT CIVILISATION. KLINE,  
SWING US IN CLOSER. WE'LL GO  
DOWN IN THE LANDING SHUTTLE!

WE'LL HAVE A QUICK  
SCOUT ROUND, ANDY!

A CLEAR OCEAN AND CLEAR  
AIR THAT CAN BE BREATHED!  
EARTH MUST HAVE BEEN LIKE  
THIS AT ONE TIME, ANDY.

BIRDS! ONCE THEY HAD  
THOSE ON EARTH.

OF WHICH I AM AWARE, SIR.  
NATURAL HISTORY IS PART OF  
MY PROGRAMMING.

BOYS, I'M ON TO  
SOMETHING INTERESTING.  
VECTOR FIVE-0H DEGREES  
AND WATCH FOR GROUND  
RUINS.

RUINS?
