

An itchinness  
to be free of you.  
**Go away!**

Name's  
**Bold**, Miss. And  
that there's me  
mate **Kellie**.

Travelling  
alone?

Why yes.  
We're English.

Mum!  
**Look. A  
Kangeroo!**

Careful  
Ian. Don't  
fall.

It's not  
wise for a young lady  
with a child to **travel  
alone**. And especially  
not Poms\*

You need  
someone to **lookout  
for you** on a long journey  
like this Miss. Someone  
like us.

Er. I'm er,  
meeting my husband.  
Would you **leave us**  
alone please?

Ma'am  
Do you **suffer**  
from travel  
sickness or...

Yes, yes I do.  
And **panic attacks**.  
And **anxiety**.

Tickets  
please. Every-  
thing **alright**  
here?

Just  
fine mate.

...it does  
seem very  
expensive...

But  
**worth it** for a  
full piece of mind  
Ma'am.
