ELECTION FOR MAYOR ON A KNIFE EDGE.

by our political correspondent, Jerry Mandering.

Councillor Strong and Sir Robert Grisdale.

After being behind in the polls for the last two weeks Councillor Strong has fought back to be level with his main rival, Sir Robert Grisdale, in what has been a very bruising contest between these two rivals. Both sides have complained about ungentlemanly conduct, with Grisdale saying his staff have been verbally abused and harassed by Strong's supporters. Strong meanwhile has stressed that Grisdale's team have been accepting unlawful funding for their campaign. This election is poised to have a very high turnout, with many voters angry with how Yorkton has changed for the worse in the four years that Strong has been in power. Many feel that they have had the wool pulled over their eyes with Strong being 'economical with the truth'. Continued on page two.
