

Yorkton Courier

Albert Copperwaite, railway guard, also fights crime as **THE GUARD**

101 TAKE DOWN ~ Part 2. BY BANFF

The story so far - The Guard has returned to Yorkton, from his travels around the world, to a warm greeting from his friend Hudson House. (The two men's friendship became strained after the events in issues 48 to 50). Having caught up with each other's news, both men agree that firmer measures need to be taken to remove Councillor Strong (in reality The Tallyman) from office. Yorkton in the years The Guard has been away has changed from a tourist city, to one of a place for gambling and other vices. Now read on.

Bohemia Airfield, north of Yorkton.
