

# TYLER'S TASK FORCE

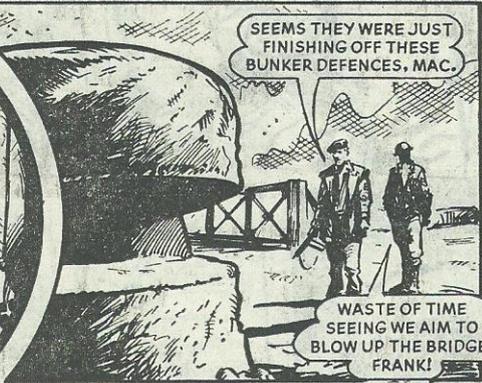

TIME YOU KNOCKED OFF WORK, EYETIES!

During the Second World War, Sergeant Frank Tyler commanded a top secret task force. They disguised themselves as road-menders and ditch-diggers of the Pioneer Corps but were in fact experts at every form of fighting and sabotage. Now, during the Allied invasion of Sicily, they took a group of Italian bridging engineers by surprise...

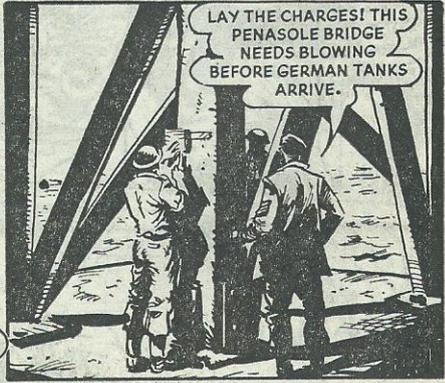

WE MISTOOK YOU AND THIS TRUCK FOR A WORK-GANG COMING TO HELP US, SERGEANT.

THAT WAS OUR GENERAL IDEA, MATE.

SEEMS THEY WERE JUST FINISHING OFF THESE BUNKER DEFENCES, MAC.

WASTE OF TIME SEEING WE AIM TO BLOW UP THE BRIDGE, FRANK!

LAY THE CHARGES! THIS PENASOLE BRIDGE NEEDS BLOWING BEFORE GERMAN TANKS ARRIVE.

But then...

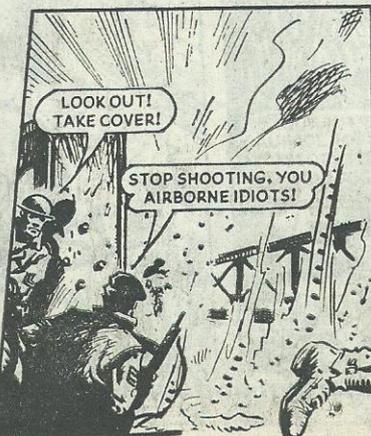

LOOK OUT! JERRY PARATROOPS—FIRING AS THEY FALL!

HOLD IT! THAT WAS A BRITISH PLANE! THEY'RE BRITISH PARATROOPS!

COME ON! CLEAR THOSE ITALIANS OFF THE BRIDGE!

LOOK OUT! TAKE COVER!

STOP SHOOTING, YOU AIRBORNE IDIOTS!

DO WE LOOK LIKE ITALIANS, LADDIE?

YOU DID FROM THE AIR—AND DON'T TALK TO ME LIKE THAT, YOU SCRUFFY RUFFIAN!
