

TYLER'S TASK FORCE

IT'S NO USE! I'M NOT RISKING BEACHING UNTIL THE UNDERWATER DEFENCES HAVE BEEN CLEARED FROM THIS SECTOR!

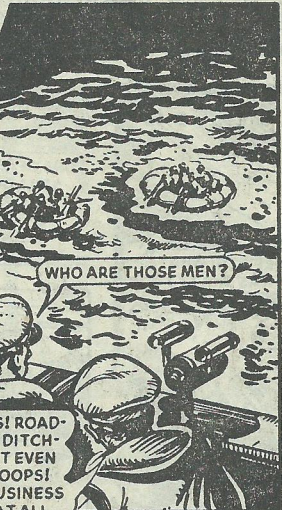

BUT WE MUST GET OUR TANKS ASHORE AS SOON!

During the D-Day invasion of Normandy, in the Second World War, deadly underwater mines and obstacles wrecked many Allied landing craft...

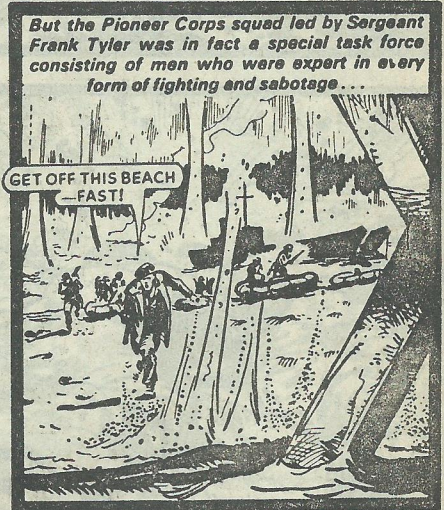

Just then...

OUR LIGHT BOATS CAN GET THROUGH WHERE YOU CAN'T!

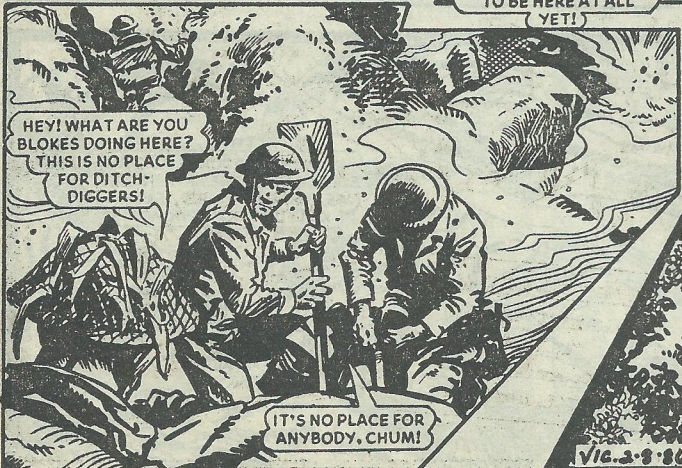

WHO ARE THOSE MEN?

PIONEER CORPS! ROAD-MENDERS AND DITCH-DIGGERS—NOT EVEN FIGHTING TROOPS! THEY'VE NO BUSINESS TO BE HERE AT ALL (YET!)

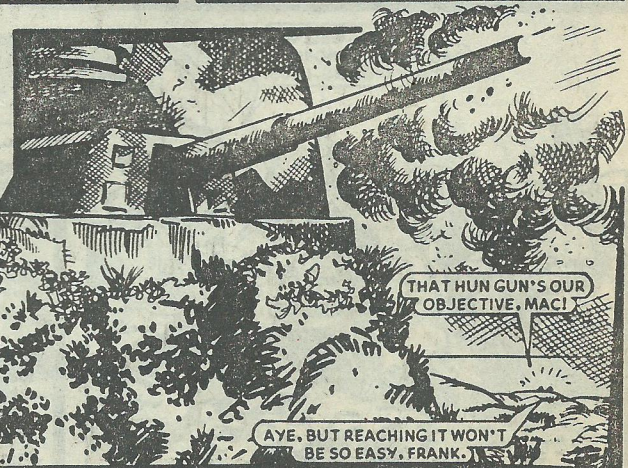

GET OFF THIS BEACH —FAST!

But the Pioneer Corps squad led by Sergeant Frank Tyler was in fact a special task force consisting of men who were expert in every form of fighting and sabotage...

HEY! WHAT ARE YOU BLOKES DOING HERE? THIS IS NO PLACE FOR DITCH-DIGGERS!

IT'S NO PLACE FOR ANYBODY, CHUM!

THAT HUN GUN'S OUR OBJECTIVE, MAC!

AYE, BUT REACHING IT WON'T BE SO EASY, FRANK.
