

Bull and Dolman are returning to the precinct when...

Hold hard.

& ♪♪♪♪

More idiots.

Elsewhere, other essential workers are delivering food to those who can't leave their houses, whilst others check that the elderly and vulnerable are being cared for. Railway workers maintain the system and keep services running, transporting health and food supplies.

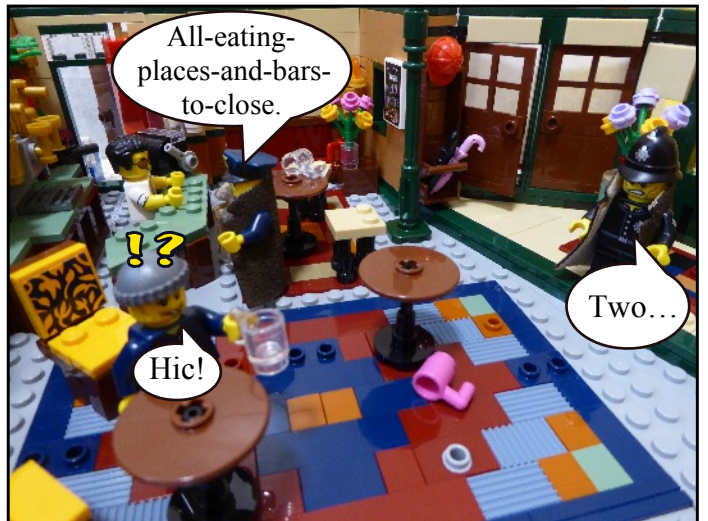

Which part of the following sentence...

I'm going to count to three...

...do you **not** understand jackass?

Anybody still here will be **fin**ed. One...

All-eating-places-and-bars-to-close.

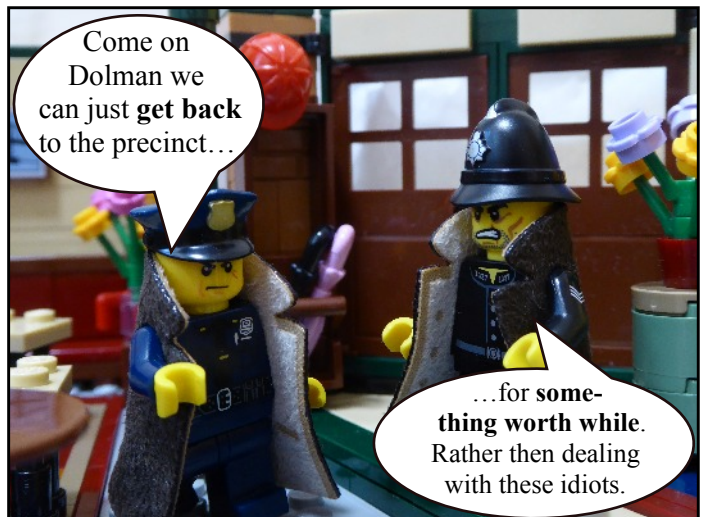

Hic!

Two...

You're fined **\$500**.

Three.

Come on Dolman we can just **get** back to the precinct...

...for **some-thing** worth while. Rather then dealing with these idiots.
